# FontanaArte

MILANO 1932

LISTINO / PRICE LIST 2023

FontanaArte nasce a Milano nel 1932 dall'incontro di Gio Ponti, grande padre dell'architettura italiana del Novecento, con Luigi Fontana, imprenditore del vetro in lastra, e Pietro Chiesa, maestro nell'arte vetraria. FontanaArte accompagna l'esplorazione della modernità italiana per cui vetro e metallo sono l'espressione di una nuova idea di bellezza profusa di luce e trasparenze. La sua storia è segnata dalla produzione di lampade e ogni tipo di soluzione che porta la luce nello spazio abitato, una missione senza tempo che si tramanda tra icone e nuovi prodotti.

FontanaArte was founded in Milan in 1932, originating in an encounter between Gio Ponti (the great 20th-century maestro of Italian architecture), Luigi Fontana (entrepreneur of sheet glass) and Pietro Chiesa (a master glass artisan). FontanaArte accompanied Italy's exploration of modernity, where glass and metal expressed a new idea of beauty infused with light and transparency. The history of FontanaArte is distinguished by lamps and every type of object that brought light into the inhabited space. This timeless mission has been passed down from icon to new product.

VETRO SOFFIATO  
BLOWN GLASS

Il procedimento per dare una forma al vetro è la soffiatura: libera o a stampo. La tecnica di soffiatura può essere variata utilizzando stampi di ferro, bronzo o legno bagnato. In queste forme viene soffiata la massa vitrea, ripetutamente scaldata, che si modella dilatandosi e sagomandosi. La soffiatura del vetro è un'arte che non ha età.

The procedure for shaping glass is blowing: free or moulded. The blowing technique can be varied by using moulds made of iron, bronze or wet wood. Into these forms the heated glass mass is blown and shaped by expanding. Glassblowing is an ageless art.

## CONDIZIONI GENERALI DI VENDITA AL CLIENTE RIVENDITORE

- Le presenti condizioni generali di vendita ("Condizioni") sostituiscono ed annullano le precedenti edizioni, disciplinano i rapporti contrattuali instaurati tra FontanaArte S.p.A. ("FontanaArte") e i rispettivi rivenditori, aventi a oggetto la fornitura di prodotti FontanaArte ("Prodotti"), come di volta in volta indicati nell'ordine di acquisto ("Ordine") emesso - in qualsiasi forma e con qualsiasi mezzo - dal rivenditore e confermato da FontanaArte.
- Le seguenti Condizioni - indicate in listino e di volta in volta aggiornate e caricate sul sito web [www.fontanaarte.com](http://www.fontanaarte.com) - vengono integralmente e automaticamente accettate dal rivenditore con trasmissione in qualsiasi forma e su qualsiasi supporto dell'Ordine dal rivenditore a FontanaArte. Con la trasmissione dell'Ordine il rivenditore conferma, quindi, di conoscere ed accettare le Condizioni. È esclusa l'applicazione di ogni altro termine, condizione o previsione del rivenditore. Qualora il rivenditore non condividesse alcuni dei termini riportati nelle Condizioni, FontanaArte invita il rivenditore medesimo a non inoltrare l'Ordine per l'acquisto dei Prodotti. Al momento dell'invio di qualsiasi Ordine da parte del rivenditore a FontanaArte, sarà onere e cura del rivenditore medesimo verificare il contenuto delle Condizioni come di volta in volta aggiornate da FontanaArte e da quest'ultima pubblicate sul proprio sito web sopra indicato.
- FontanaArte si riserva il diritto in qualsiasi momento di eliminare i Prodotti dalle proprie collezioni o cataloghi e di apportare variazioni di prezzo o altre modifiche derivanti da esigenze tecniche o commerciali. Dette variazioni non troveranno applicazione per i Contratti, come definiti sotto, già conclusi prima della notifica della relativa variazione, da parte di FontanaArte al rivenditore.
- La fornitura avviene sempre ai prezzi indicati nel listino di FontanaArte ed alle condizioni in vigore alla data della conferma d'Ordine. Salvo quanto diversamente concordato tra le parti, non sono effettuati riduzioni o sconti sul valore dei prezzi di listino.
- L'emissione di qualsiasi Ordine costituisce una proposta contrattuale, dal rivenditore a FontanaArte, di acquistare i Prodotti ai sensi delle presenti Condizioni. L'Ordine si ritiene accettato solo ove FontanaArte (a) emetta una conferma d'Ordine scritta o (b) proceda con la fornitura dei Prodotti, ai sensi dell'Ordine, considerandosi tale fatto quale accettazione tacita.
- Qualora la conferma d'Ordine emessa da FontanaArte rechi qualsiasi modifica rispetto al contenuto del relativo Ordine (ivi incluse le presenti Condizioni), la conferma dell'Ordine sarà automaticamente considerata quale nuova proposta contrattuale, formulata da FontanaArte, che dovrà essere accettata dal rivenditore. Non si accettano annullamenti di Ordini già trasmessi e confermati a meno di un accordo scritto tra le parti.
- Il contratto tra FontanaArte e il rivenditore per la fornitura dei Prodotti ("Contratto" - il Contratto è formato dalle Condizioni e dall'Ordine accettato da FontanaArte ovvero dalla contro proposta di FontanaArte accettata dal rivenditore) si intende concluso (i) alla data di accettazione scritta dell'Ordine da parte di FontanaArte; o (ii) nel tempo in cui ha avuto inizio l'esecuzione (in caso di accettazione tacita nei termini di cui sopra) in caso di accettazione della controproposta da parte del rivenditore.
- Il rivenditore è tenuto a controllare la correttezza della conferma d'Ordine e delle condizioni, incluse le condizioni di vendita e di pagamento, ivi indicate.
- I Prodotti saranno consegnati secondo le modalità e nel luogo indicati nell'Ordine confermato ("Luogo di Consegna"). Salvo ove diversamente convenuto tra le parti,

la consegna dei Prodotti è effettuata presso il Luogo di Consegna alle condizioni riportate di seguito:

- Franco destino per ordini di valore superiore a € 1.000,00;
- Addebito percentuale del 7% sul valore imponibile da € 500,00 a € 1.000,00;
- Addebito in fattura di € 50,00 per ordini fino a € 500,00.

Le condizioni sopracitate sono valide per i seguenti paesi:

Italia, Francia, Spagna (escluse isole), Austria, Svizzera, Germania, Belgio, Lussemburgo, Paesi Bassi e Slovenia. Per gli altri paesi consultare il Customer Service.

- Il trasferimento del rischio dal Fornitore al rivenditore avviene dal momento della consegna dei Prodotti nel Luogo di Consegna. Dal quel momento grava sul rivenditore il rischio di perimento, smarrimento o danneggiamento dei Prodotti.
- Il rivenditore potrà rivendere i Prodotti ai clienti finali nello svolgimento ordinario della sua attività imprenditoriale. È vietata la vendita dei Prodotti a soggetti che li acquistino per la rivendita.
- I Prodotti FontanaArte sono garantiti per 2 anni. I reclami relativi ad eventuali Prodotti difettosi potranno essere accettati e la conseguente procedura per resi e sostituzioni dei Prodotti o delle parti difettose di questi ultimi potrà essere attivata solo dietro la presentazione della copia del documento fiscale attestante il relativo acquisto, e corretta compilazione dell'apposito modulo di reclamo. Non si accettano reclami notificati a FontanaArte dopo 8 giorni dal ricevimento dei Prodotti.
- Non si accettano resi se non preventivamente autorizzati per iscritto da FontanaArte. Il reso dei Prodotti dovrà essere effettuato unicamente tramite lo spedizioniere ufficiale indicato da FontanaArte che sarà preventivamente, senza alcun accredito, autorizzato ad effettuare il ritiro. I Prodotti devono essere resi negli imballi originali. Al ricevimento dei Prodotti resi, il reparto resi clienti di FontanaArte effettuerà un controllo di detti Prodotti. In caso di riscontro di difetti di produzione la sostituzione dei Prodotti verrà effettuata a titolo gratuito. Qualora il difetto riscontrato non possa essere considerato come un vizio di produzione, i Prodotti resteranno a disposizione per il ritiro da parte del rivenditore per 30 giorni dalla data in cui è stato comunicato l'esito del controllo al rivenditore. Trascorso tale termine senza istruzioni da parte del rivenditore, detti Prodotti verranno distrutti senza che il rivenditore abbia diritto ad alcunché in relazione a quanto precede.
- Salvo dolo o colpa grave e qualsiasi altra ipotesi di responsabilità che non può essere esclusa o limitata ai sensi delle disposizioni inderogabili di legge, FontanaArte non sarà responsabile nei confronti del rivenditore per un importo superiore al prezzo pagato dal rivenditore ai sensi di ciascun Contratto e/o per qualunque tipo di danni indiretti.
- FontanaArte ha la facoltà di sospendere la fornitura dei Prodotti quando le condizioni finanziarie o patrimoniali del rivenditore risultino tali da porre in evidente pericolo il conseguimento del pagamento dovuto o per altri motivi di carattere commerciale e di gestione di FontanaArte.
- Il mancato o ritardato pagamento dei corrispettivi dovuti a FontanaArte dal rivenditore nei termini previsti dal Contratto comporta un addebito di interessi pari all'3% sull'ammontare di ciascuna fattura relativa ai Prodotti acquistati per ogni mese di ritardo dalla scadenza indicata nel Contratto.
- FontanaArte si riserva il diritto di modificare qualsiasi delle precedenti clausole a proprio insindacabile giudizio e senza obbligo di fornire preavviso al rivenditore, restando inteso che ciascuna modifica entrerà in vigore con riferimento a qualsiasi Contratto concluso successivamente all'avenuta notifica, da parte di FontanaArte al rivenditore mediante pubblicazione delle Condizioni aggiornate sul sito web di FontanaArte, della modifica medesima.
- Ciascun Contratto è regolato e interpretato ai sensi della legge della Repubblica Italiana.
- Per ogni controversia che dovesse insorgere tra le parti in relazione a ciascun Contratto è competente in via esclusiva il Tribunale di Milano.

- The following Conditions – specified in the price list and from time to time updated and uploaded to the web site [www.fontanaarte.com](http://www.fontanaarte.com) are fully and automatically accepted by the retailer when it sends the purchase order, in whatever form and on whatever support, to FontanaArte. With the sending of the Purchase Order the retailer therefore confirms that it understands and accepts the Conditions. Any other terms, conditions or provisions of the retailer are excluded. Should the retailer not agree with any of the terms and conditions, FontanaArte would ask the retailer not to send a Purchase Order for the Products. Whenever the retailer sends FontanaArte a Purchase Order, it is the retailer's duty and responsibility to check the terms and conditions from time to time updated by FontanaArte and published on their web site.
- FontanaArte reserves the right at any time to remove Products from its collections or catalogues and to make price changes or other changes due to technical or commercial demands. - Should the Order confirmation issued by FontanaArte carry any variation with respect to the content of the Order (including these Conditions), the Order confirmation will automatically be considered a new contractual proposal by FontanaArte, which the retailer shall accept. Orders already transmitted and confirmed may not be cancelled except by written agreement between the parties.
- The contract between FontanaArte and the retailer for supply of the Products ("Contract" – the Contract is made up of the Conditions and the Order accepted by FontanaArte or by a counter-proposal by FontanaArte and accepted by the retailer) is understood to the concluded (i) at the date of written acceptance of the Order by FontanaArte; or (ii) at the moment execution begins (in the event of tacit acceptance as described above) and in the event of acceptance of a counter-proposal by the retailer.
- The retailer is required to check the accuracy of the Order confirmation and the Conditions, including the conditions of sales and payment specified therein.
- The Products shall be delivered in accordance with the procedures and in the places specified in the confirmed Order ("Place of Delivery"). Unless otherwise agreed between the parties, the Products will be delivered to the Place of Delivery at the following conditions:

Italy, France, Spain (excluding islands), Austria, Switzerland, Germany, Belgium, Luxembourg, the Netherlands and Slovenia. For other countries please consult Customer Service.

- The retailer may resell the Products to end clients in the normal course of their business. It is forbidden to sell the Products to subjects that purchase them for resale.
- FontanaArte Products are guaranteed for 2 years. Claims regarding defective Products may be accepted and the ensuing procedure for the return and replacement of the Products or defective parts of same may be activated only on submission of a copy of the tax document attesting the order, and the correctly compiled claim form. Claims received by FontanaArte beyond 8 days after receipt of the Products will not be accepted.
- No returns will be accepted unless authorized in writing in advance by FontanaArte. Product returns shall be made exclusively by the official shipping agent named by FontanaArte who is authorized in advance to make the collection, without accreditation. Products must be returned in the original packaging. On receipt of the returned Products, the FontanaArte customer returns department will check the said Products. If production defects are found the Products will be replaced free of charge. Should the defect be deemed not to be a production defect, the Products will remain available for collection by the retailer for 30 days after the outcome of the check is communicated to the retailer. After that date, unless instructions are received from the retailer, the Products will be destroyed and the retailer will not be entitled to any reimbursement.
- Save criminal intent, or serious misconduct or any other liability that cannot be excluded or limited by binding provision of the law, FontanaArte shall not be liable to the retailer for an amount greater than the price paid by the retailer under the Contract or for any form of indirect damages.
- FontanaArte is entitled to suspend supply of the Products if the retailer's financial or capital circumstances are such as to clearly put at risk payment of the amounts due or for any other reasons on the part of FontanaArte of a commercial or business nature.
- Failure to pay or late payment of the amount due to FontanaArte by the retailer within the terms set forth in the Contract will entail a 3% interest charge on the amount invoiced for each Product purchase for each month's delay beyond the expiry date specified in the Contract.
- FontanaArte reserves the right to modify any of above clauses at its unchallengeable discretion and without the obligation of advance notice to the retailer, it being understood that any change will come into effect in Contracts concluded subsequent to communication of the change to the retailer by FontanaArte possibly via publication of the modified terms and conditions on FontanaArte's web site.

## CONDITIONS GÉNÉRALES DE VENTE POUR LE REVENDEUR

- Les présentes conditions générales de vente (« Conditions ») remplacent et annulent les éditions précédentes ; elles régissent les relations contractuelles établies entre la société FontanaArte S.p.A. (« FontanaArte ») et ses revendeurs, ayant pour objet la fourniture de produits FontanaArte (« Produits »), comme indiqué au cas par cas dans le bon de commande (« Commande ») émis - sous n'importe quelle forme et avec tout moyen quel qu'il soit - par le revendeur.
  - Les suivantes Conditions – indiquées sur le catalogue de prix, mises à jour au cas par cas et insérées sur le site Internet [www.fontanaarte.com](http://www.fontanaarte.com) sont acceptées intégralement et automatiquement par le revendeur dès que ce dernier transmet, sous n'importe quelle forme et sur tout support quel qu'il soit, une Commande à FontanaArte. En transmettant une Commande, le revendeur confirme donc qu'il connaît les conditions et qu'il les accepte. L'application de tout autre terme, condition ou prévision du revendeur est exclue. Au cas où le revendeur ne serait pas d'accord avec certains termes indiqués dans les Conditions, FontanaArte invitera ledit revendeur à ne pas envoyer de Commande d'achat de Produits. Au moment où le revendeur enverra toute Commande quelle qu'elle soit à FontanaArte, il sera tenu de vérifier le contenu des Conditions mises à jour au cas par cas par la société FontanaArte et publiées par cette dernière sur le site Web mentionné ci-dessus.
  - FontanaArte se réserve le droit, à tout moment, de retirer des produits de ses collections ou catalogues et d'effectuer des changements de prix ou d'autres modifications résultant de besoins techniques ou commerciaux. Ces modifications ne s'appliqueront pas aux Contrats, tels que définis ci-dessous, déjà conclus avant la notification de la modification par FontanaArte au revendeur.
  - La livraison s'effectue toujours aux prix indiqués dans le tarif FontanaArte et selon les conditions en vigueur à la date de la confirmation de la Commande. Sauf accord contraire convenu entre les parties, aucune réduction ou rabais n'est accordé sur la valeur des prix du catalogue.
  - L'émission de toute commande constitue une proposition contractuelle, transmise à FontanaArte par le revendeur, d'acheter les Produits conformément aux présentes Conditions. La Commande n'est considérée comme acceptée que si FontanaArte (a) délivre une confirmation de Commande écrite ou (b) procède à la fourniture des Produits, conformément à la Commande, considérant ce fait comme une acceptation tacite.
  - Si la confirmation de Commande émise par FontanaArte fait apparaître une modification du contenu de la Commande concernée (y compris les présentes Conditions), la confirmation de Commande sera automatiquement considérée comme une nouvelle proposition contractuelle, formulée par FontanaArte, qui devra être acceptée par le revendeur. Les annulations de commandes déjà envoyées et confirmées ne seront pas acceptées sauf accord écrit entre les parties.
  - Le contrat entre FontanaArte et le revendeur pour la fourniture des Produits (« Contrat ») - le Contrat se compose des Conditions et de la Commande acceptée par FontanaArte ou de la contre-proposition de FontanaArte acceptée par le revendeur) est réputé conclu (i) à la date de l'acceptation écrite de la Commande par FontanaArte; ou (ii) au moment où l'exécution commence (en cas d'acceptation tacite aux conditions énoncées ci-dessus) et en cas d'acceptation de la contre-proposition de la part du revendeur.
  - Le revendeur est tenu de vérifier l'exactitude de la confirmation de Commande et des Conditions, y compris les conditions de vente et de paiement, qui y sont indiquées.
  - Les Produits seront livrés de la manière et au lieu indiqués dans la Commande confirmée (« Lieu de livraison »). Sauf accord contraire entre les parties, la livraison des Produits est effectuée au Lieu de livraison selon les conditions définies ci-après :
    - Franco destination pour les commandes d'une valeur supérieure à 1.000,00 € ;
    - Frais de 7% sur la valeur imposable de 500,00 € à 1.000,00 € ;
    - Majoration de la facturation de 50,00 € pour les commandes jusqu'à 500,00 €.
- Les conditions ci-dessus sont valables pour les pays suivants : Italie, France, Espagne (à l'exclusion des Isles), Autriche, Suisse, Allemagne, Belgique, Luxembourg, Pays-Bas et Slovénie
- Le transfert des risques du Fournisseur au revendeur a lieu à partir du moment où les Produits sont livrés au Lieu de livraison. À partir de ce moment, le risque de destruction, de perte ou d'endommagement des Produits est à la charge du revendeur
  - Le revendeur peut revendre les produits à des clients finaux dans le cadre de ses activités. Il est interdit de vendre les Produits à des personnes les achetant dans le but de les revendre.
  - Les produits FontanaArte sont garantis 2 ans. Les réclamations relatives à d'éventuels Produits défectueux pourront être acceptées et la procédure conséquentaire pour les retours et les remplacements des Produits ou des pièces défectueuses de ces dernières, pourra être activée seulement après la présentation de la copie du document fiscal attestant l'achat en question et la compilation correcte du formulaire de réclamation. On ne va pas accepter les réclamations notifiées à FontanaArte après 8 jours de la réception des Produits.
  - Aucune restitution de marchandise ne sera acceptée si elle n'a pas été préalablement autorisée par FontanaArte. La restitution des Produits ne devra être effectuée que par l'intermédiaire du transporteur officiel indiqué par FontanaArte qui sera préalablement, sans aucun crédit, autorisé à effectuer le retrait. Les Produits devront être restitués dans leur emballage d'origine. Dès la réception des Produits restitués, le service des retours clients de FontanaArte vérifiera les Produits. En cas de défaut de fabrication, le remplacement des Produits sera effectué gratuitement. Si le défaut constaté ne peut être considéré comme un vice de fabrication, le revendeur fera en sorte que les Produits restent disponibles pour le retrait pendant trente jours à compter de la date à laquelle le résultat de l'inspection aura été communiqué au revendeur. Passé ce délai, sans instructions du revendeur, ces produits seront détruits sans que le revendeur n'ait droit à quoi que ce soit en rapport avec ce qui précède.
  - Sauf en cas de faute intentionnelle ou de négligence grave et de toute autre responsabilité qui ne peut être exclue ou limitée en vertu des dispositions impératives de la loi, FontanaArte ne sera pas responsable envers le revendeur pour un montant supérieur au prix payé par le ce dernier en vertu de chaque contrat et / ou pour tout type de dommages indirects.
  - FontanaArte a le droit de suspendre la fourniture des Produits lorsque les conditions financières ou les actifs du revendeur sont de nature à mettre en danger la réalisation du paiement dû ou pour d'autres raisons de nature commerciale et de gestion de FontanaArte.
  - Le non-paiement ou le retard de paiement des sommes dues à FontanaArte par le revendeur selon les termes du Contrat entraînera l'application d'un intérêt de 3 % sur le montant de chaque facture des Produits achetés pour chaque mois de retard, à compter du jour indiqué dans le Contrat.
  - FontanaArte se réserve le droit de modifier l'une quelconque des clauses ci-dessus à sa seule discrétion et sans obligation de notification au revendeur, étant entendu que toute modification entrera en vigueur pour tous les Contrats conclus après notification transmise au revendeur par FontanaArte, éventuellement en publiant les Conditions mises à jour sur le site Internet de FontanaArte, de ladite modification.

Las mismas reglamentan las anulaciones contractuales que se hayan instaurado entre la sociedad anónima FontanaArte S.p.A. ("FontanaArte") y sus revendedores, cuyo objeto consista en el suministro de los productos de FontanaArte ("Productos"), conforme a lo indicado en el pedido de compra ("Pedido"), que extienda el revendedor en cada ocasión, por cualquier medio y bajo cualquier forma y que FontanaArte confirme.
  - El revendedor acepta automática e íntegramente las siguientes Condiciones, que se detallan en el listín de precios y se actualizan y cargan en la página Web [www.fontanaarte.com](http://www.fontanaarte.com) cada vez que corresponda, al remitir el Pedido a FontanaArte por cualquier medio y bajo cualquier forma. Por consiguiente, al remitir el Pedido, el revendedor confirma que conoce y acepta las Condiciones. Se descarta desde ya la aplicación de cualesquiera otros plazos, condiciones o previsiones del revendedor. Si el revendedor no está de acuerdo con algunas de las cláusulas que se aprecian en las Condiciones, FontanaArte le solicita que no remita el Pedido de los Productos. A la hora de remitir todo Pedido a FontanaArte, el revendedor, bajo su exclusiva responsabilidad, debe encargarse de constatar el contenido de las Condiciones que FontanaArte actualiza cada vez que corresponde y que, a la postre, publica en la página Web susodicha.
  - FontanaArte se reserva el derecho de eliminar los Productos de sus colecciones o catálogos en todo momento, al igual que el de modificar el precio u aportar otras variaciones que sean fruto de necesidades técnicas o comerciales. Dichas modificaciones o variaciones no se aplicarán a los Contratos (según la definición que figura más abajo) que se hayan formalizado antes de que FontanaArte remita al revendedor la notificación correspondiente.
  - Al suministro se le aplican siempre los precios que figuran en el listín FontanaArte y las condiciones en vigor en la fecha en que se confirme el Pedido en firme. Excepto en los casos en que las partes tomen otros acuerdos, los precios que figuran en el listín no se descontarán ni sufrirán disminución alguna.
  - Todo Pedido constituye una propuesta contractual que el revendedor remite a FontanaArte, con el objeto de comprar los Productos al amparo de las presentes Condiciones. El Pedido se considera aceptado en firme siempre y cuando FontanaArte (a) remita una confirmación de Pedido por escrito o (b) proceda a suministrar los Productos, a tenor del Pedido. En su caso, este hecho se considerará una aceptación tácita.
  - Si, en la confirmación del Pedido que FontanaArte remite, figura cualquier tipo de modificación del Pedido original (incluidas las presentes Condiciones), la confirmación del Pedido se ha de considerar automáticamente como una nueva propuesta contractual, que FontanaArte formula y que el revendedor deberá aceptar. No se aceptarán anulaciones de pedidos transmitidos y confirmados en firme, a menos que al respecto medie un acuerdo escrito entre las partes.
  - El contrato entre FontanaArte y el revendedor que tenga por objeto el suministro de los Productos ("Contrato" – el Contrato consta de las Condiciones y del Pedido aceptado en firme por FontanaArte o de la contrapropuesta de FontanaArte que el revendedor aceptó en firme) se considerará celebrado (1) en la fecha que figure en la aceptación escrita del Pedido por parte de FontanaArte; o (2) en el momento en que comience a ejecutarse (en los casos de aceptación tácita, con arreglo a los términos susodichos) y en los de aceptación de la contrapropuesta por parte del revendedor.
  - El revendedor debe controlar la corrección de la confirmación del Pedido y de las condiciones, incluidas las condiciones de venta y de pago que se indican en los mismos.
  - Los Productos se entregarán según las modalidades y en el lugar que se detallan en el Pedido confirmado en firme ("Lugar de Entrega"). Excepto de mediar otros acuerdos entre las partes, la entrega de los Productos se realizará en el Lugar de Entrega, de acuerdo con las condiciones que se aprecian a continuación:
    - Franco destino, cuando la cuantía del pedido sea superior a 1.000,00 € ;
    - Con un recargo del 7% sobre la cantidad imponible, para cuantías de 500,00 € a 1.000,00 € ;
    - Con un recargo de 50,00 € en la factura para pedidos de hasta 500,00 €.
- Las condiciones mencionadas son válidas para los siguientes países:  
Italia, Francia, España (excluidas las islas), Austria, Suiza, Alemania , Bélgica, Luxemburgo, Países Bajos y Eslovenia. Para otros países, consulte con el Servicio de Atención al Cliente.
- La transferencia del riesgo del Proveedor al revendedor tiene lugar en el momento en que se hace entrega de los Productos en el Lugar de Entrega. A partir de dicho momento, el riesgo de deterioro, pérdida o daños de los Productos recae en el revendedor.
  - El revendedor podrá vender los Productos a los clientes finales en el marco de sus actividades empresariales de rutina. Queda terminantemente prohibido vender los Productos a terceros que los compren con la finalidad de revenderlos.
  - Los Productos FontanaArte cuentan con una garantía de dos años. Será posible aceptar reclamaciones correspondientes a Productos defectuosos y tramitar el procedimiento de devolución y sustitución de los Productos o de las partes defectuosas de estos últimos, siempre y cuando se presente la copia del comprobante fiscal de la compra correspondiente y si el formulario de reclamación está debidamente cumplimentado. FontanaArte no aceptará reclamaciones que se le notifiquen después de 8 días de la recepción de los Productos.
  - FontanaArte no aceptará devoluciones que no haya autorizado previamente por escrito. La devolución de los Productos se deberá efectuar exclusivamente por medio del transportista oficial que indique FontanaArte. Por otro lado, FontanaArte deberá ser autorizada previamente a retirar los Productos sin recargo alguno. Los Productos se devolverán en sus embalajes originales. Al recibir los Productos devueltos, en la División Devoluciones de Clientes, FontanaArte controlará los Productos en cuestión. De detectar defectos de fábrica, sustituirá gratuitamente los Productos. Toda vez que el defecto detectado no se pueda considerar como defecto de fábrica, los Productos quedarán a disposición del revendedor, quien podrá retirarlos en un plazo de 30 días a contar desde la fecha en que FontanaArte comunique al revendedor los resultados del control. Una vez que haya expirado dicho plazo, sin instrucciones de parte del revendedor, dichos Productos serán destruidos y el revendedor no tendrá derecho alguno en relación con todo lo que se expone más arriba.
  - Excepto en casos dolosos o de culpa grave o en cualesquiera otros supuestos de responsabilidad que no se puedan descartar o acotar, a tenor de las prescripciones legales inderogables, FontanaArte no asumirá responsabilidad alguna frente al revendedor por un importe superior al precio que este haya abonado, en virtud de cada Contrato y/o de cualquier tipo de daño indirecto
  - FontanaArte está facultada para suspender el suministro de los Productos toda vez que las condiciones financieras o patrimoniales del revendedor conlleven un peligro evidente para la consecución del pago debido, o por otros motivos de carácter comercial y de gestión de FontanaArte.
  - De incurrir en impago o en morosidad en los pagos de las sumas de dinero que el revendedor debe a FontanaArte, a tenor de lo establecido en el Contrato, FontanaArte aplicará al importe de cada una de las facturas correspondientes a los Productos comprados un interés del 3%, por mes de retraso, a partir del plazo de pago que figure en el Contrato.
  - FontanaArte se reserva el derecho de modificar cualquier cláusula antedicha, en base a su propia decisión inapelable y sin necesidad de remitir preaviso alguno al revendedor. Las partes acuerdan que cada una de las modificaciones será de aplicación a cualquier Contrato que se formalice después de que FontanaArte notifique la modificación en cuestión al revendedor. De ser preciso, dicha notificación se llevará a cabo mediante la publicación de las Condiciones actualizadas en la página Web de FontanaArte.
  - Todos los Contratos se regularán e interpretarán al amparo de la legislación de la República Italiana.
  - De surgir controversias entre las partes, en relación con cada uno de los Contratos, el fuero competente será exclusivamente el Tribunal de Milán.
